SAN DIEGO MESA COLLEGE
President's Cabinet

The following documents were shared at the November 3, 2026 President's Cabinet Meeting:

President's Cabinet	
Math, Engineering, Science, Achievement Program (M.E.S.A.) The presentation shared that M.E.S.A. serves community college students working toward a STEM degree who often have the fewest built-in supports. Also included was the history, mission, and four pillars of support for their scholars and information on the Summer 2026 Research Internship.	Robert Monroy, M.E.S.A. Program Activity Manager M.E.S.A. presentation: https://www.sdmesa.edu/about-mesa/office-of-the-president/cabinet-documents/MESA_Program_Pcab_11.3.36.pdf
Institutional Effectiveness Update: Dean Hoang shared the 2026-2027 Goals, focusing on the Instructional Divisional Goals which need college-wide focus requiring cross-area coordination. The Planning and Alignment Framework was shared where the results and impact will inform the next cycle. The Roadmap 2 implementation is in progress and goals are available online with divisional work as the primary driver of progress toward Roadmap 2 outcomes.
